To whom it may concern:

Please fill out the attached External User Course Registration form.
You must specify the course which you would like to be enrolled in:

- Datamaster (Class B)
- Intoxylizer 5000 (Class B)
- PBT (Class C)

After completing the form, you may email it to as.learninghelp@nebraska.gov (this is the preferred and quickest method), or you may fax the form to 402-471-3754.
(If the form is filled out by hand, make sure that it is legible.)

You Must Include an Email Address for the Student

We will then enroll the student(s) in the database and they will receive an email containing the platform link and credentials for logging into the training platform. This will usually occur within 48 hours. The student will be able to complete this training at their own pace. Please feel free to email or call me if you have any questions. Thank you.
