**This two-day seminar will be the best training in the world on juvenile homicide, teen murder warning signs and triggers, school safety, and youth culture. Learn the latest trends in teen entertainment, teen drug use, juvenile gangs, teen terminology, and much more.**

**Phil Chalmers, America's Leading Authority on Juvenile Homicide, understands how training budgets have been cut in most states, and realizes that many LEO's can't afford to spend \$1000 or more on national conferences. So, Chalmers decided to bring a "national conference" caliber seminar to Nebraska at a fraction of what the national conferences cost.**

**The seminar registration fee includes:**

- **20 page seminar workbook**
- **School Assembly curriculum (valued at \$300)**
- **UFC-style tour shirt**
